## NOTIFICATIONS.

*Simla, the 15th June 1927.*

**No. F.-13-(III)-F.-27.**—In their notification No. F.-6-F., dated the 15th March 1926, the Government of India promulgated certain revised rates for the issue of Post Office Cash Certificates, which reduced the yield thereon to the rates in force prior to the 2nd April 1923. This change followed the reduction in the rate of interest at which the Government were able to borrow in the open market during the years 1924 and 1925. The further reduction in the borrowing rate during 1926 makes the existing terms of Cash Certificates more favourable than the interest of the tax-payer would justify. The Government of India have therefore examined the matter carefully and come to the conclusion that the rates may be further reduced without endangering the popularity of this form of investment. They are accordingly pleased to direct that the amounts repayable on the Certificates of the different denominations issued on or after the 1st July 1927 should be as shown in the following table :—

## ONE-YEAR AND TWO-YEAR PROBATIONERS.

(7) (1) Each candidate will offer for examination the vernacular shown in column 2 against his province in the following table unless he is already familiar with it or with a language closely allied to it. A probationer assigned to Madras who is familiar with one only of the vernaculars named will offer the other.

| Col. 1.           | Col. 2.         | Col. 3.      |
|-------------------|-----------------|--------------|
| Madras            | Tamil or Telugu | ...          |
| Bombay            | Marathi         | ... Urdu.    |
| Bengal            | Bengali         | ...          |
| United Provinces  | Urdu            | ...          |
| Punjab            | Urdu            | ...          |
| Burma             | Burmese         | ...          |
| Bihar and Orissa  | Hindi           | ... Bengali. |
| Central Provinces | Hindi           | ... Marathi. |
| Assam             | Bengali         | ...          |

(2) A candidate who is not required by sub-section (1) to offer a vernacular named in column 2 will offer the vernacular named in column 3 against his province if any such vernacular is named, unless he is already familiar with the vernacular there named or with a closely allied one.

(3) A candidate who is not required under the preceding sub-sections to offer a vernacular will offer History instead. A one-year probationer will offer British History; a two-year probationer will offer British History for the Intermediate Examination and European History for the Final Examination.

Any question as to the interpretation and application of this regulation will be decided by the Civil Service Commissioners.

(8) The ordinary session of the Final Examination for the testing of riding will take place in advance of the rest of the Final Examination, and a special session will when necessary be held at a later date for the benefit of any candidate who may have failed at the ordinary session.

Candidates who at the ordinary session satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who at the ordinary session fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Local Government.\*

Any candidate who at the ordinary session fails to show a minimum proficiency will be examined again at a special session. If he then attains adequate proficiency he will not be subjected to further tests in India. If he attains minimum proficiency he will be allowed to proceed to India under the same condition as if he had attained minimum proficiency at the ordinary session. No credit in marks will be given for any performance at a special session.

Probationers may also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

(9) Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

(10) The Civil Service Commissioners will prepare lists of the candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the candidates at the Intermediate and Final Examinations.

(11) The selected candidates whose performance in the compulsory subjects of the Final Examination is such as to satisfy the Civil Service Commissioners and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service, provided that they shall comply with the regulations in force, at the time, for that Service.†

(12) If any candidate is prevented by sickness or any other adequate cause from attending the Final Examination the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

\* Such candidates will receive no increase to their initial pay until they have passed the further tests, in question to the satisfaction of their Local Government.

† The compulsory subjects include riding, and a candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

Any candidate who at the Intermediate Examination shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training will be liable to have his name removed from the list of selected candidates.

#### ANNOUNCEMENTS

made by the Governor General in Council with the authority of the Secretary of State for India in Council.

(i) *Selected Candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *An allowance of £300 a year, or, in the case of Selected Candidates possessing an Indian domicile, an allowance of £350 a year will be given to any candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.*

*In the case of Selected Candidates on probation for one year the allowance will be payable in four equal instalments on the following dates respectively: December 24th after his selection, March 25th, June 25th, and after signature of covenant on appointment to the Service.*

*In the case of Selected Candidates on probation for two years the allowance will be payable in eight equal instalments, the first on the December 24th after selection, the second to the seventh on the six following quarter days and the eighth after signature of covenant on appointment to the Service.*

*The payment of the various instalments of the allowance except the final instalment, and in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be conditional on the receipt by the Secretary of State through the Civil Service Commissioners of a certificate that the candidate has fulfilled up to date the requirements of the authorities and shown satisfactory conduct at the approved institution.*

*If an Indian Government Scholar becomes a Selected Candidate for the Indian Civil Service his scholarship stipend shall cease to be paid with effect from the 1st October of the year in which he becomes a Selected Candidate. He may, however, provided he has executed the agreement referred to in (iv) below, be granted on, or at any time after, the 1st October, an advance on account of the instalment of the allowance payable on the 24th December.*

*The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.*

*N.B.—The Secretary of State for India gives notice that the amount of the allowance will be reconsidered in 1928, with a view to a possible reduction with effect from the instalment payable in December 1928.*

(iii) *A First Class passage to India will be engaged for Selected Candidates with a view to their proceeding to India during the November following their Final Examination.*

(iv) *Each candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety jointly and severally to refund all moneys he may have received from the Secretary of State for India in the event of:—*

- (1) *his failure to pass the Final Examination within the time prescribed by the regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or*
- (2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(v) *All candidates obtaining certificates will be also required to enter into covenants by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.*

(vi) *Candidates appointed to the Indian Civil Service after undergoing one year's probation will be senior to those appointed in the same year after undergoing two years' probation. The seniority of candidates of each class inter se will be determined by the order in which their names appear on the lists referred to in clause (11) of the regulations.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State, in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.*

(viii) *"Over-seas pay" will not be admissible to Indian members of the Indian Civil Service selected at Open Competitive Examinations held in London in 1925 and subsequent years.*

Application of owners to local authority to make a land development scheme.

5. (1) Application may be made to the local authority concerned to make a land development scheme in respect of any area specified in the application:

(2) The local authority shall thereupon fix a date for considering the application and shall give fifteen days' notice thereof to the applicants and to the other owners of land within such area.

(3) On the date so fixed the local authority shall consider any representations made regarding the application, and may then either reject the application or declare its intention to make a scheme in respect of the area specified, or of any greater or less area.

(3) The local authority shall serve a notice on every owner of land situated within the area comprised in the scheme, informing him that the scheme will be considered on a date (not being less than thirty days from the date of service of such notice) to be fixed by the local authority.

(4) On the date so fixed or on any subsequent date or dates to which the hearing may be adjourned, the local authority shall consider all objections received within the time specified in the notification, and shall hear such owners or other persons interested in the scheme as appear before it.

(5) The local authority may then make a draft land development scheme in respect of the whole or a part of the area referred to in the declaration of intention to make a scheme, or of such greater area as it thinks fit:

(2) A re-constituted plot shall, whenever possible, be allotted in place of every original plot.

(3) If at the time of the declaration of intention to make a land development scheme any original plot contains a masonry building, whether completed, or in course of erection, which will not interfere with the execution of the scheme, the re-constituted plot containing the said building shall be allotted to the owner of such building, unless such owner consents to its allotment to any other person.

Restriction of building after declaration of intention to make a scheme.

12. (1) Notwithstanding anything contained in any other enactment for the time being in force, when a local authority has published a declaration of intention to make a land development scheme—

(2) If the local authority is satisfied that any work referred to in clause (a) of sub-section (1) has been commenced or is being carried on without a certificate, or otherwise than in accordance with the conditions imposed in such certificate, it may—

(iii) take action in accordance with both clause (i) and clause (ii).

(3) If any work is carried on upon any building in contravention of a notice issued under clause (i) of sub-section (2), any person directing or carrying on such work may be removed from the building by any police-officer.

(4) When an application has been made to a Magistrate under clause (ii) of sub-section (2), he may make an order directing that the work done, or so much of the same as has been executed in contravention of the provisions of sub-section (1),—

(a) be demolished by the owner of the building or altered by him to the satisfaction of the local authority, as the case may require, or

(b) be demolished or altered by the local authority at the expense of the owner of the building:

Provided that the Magistrate shall not make any such order without giving the owner of the building full opportunity of showing cause why such order should not be made.

- (a) to proceed at once with the making or execution of the scheme to the satisfaction of the Local Government, or
- (b) to show cause why the Local Government should not appoint a person to supersede the local authority in the making and execution of the scheme.

(2) If the local authority fails to proceed with the making or execution of the scheme to the satisfaction of the Local Government, or does not show cause to the satisfaction of the Local Government under clause (b) of sub-section (1), the Local Government may appoint a person to exercise and perform all the powers and duties of the local authority in respect of such scheme and may fix the remuneration to be paid to such person and to the staff to be employed under him.

Hearing of claims  
and objections.

**25.** The arbitrator shall hear all the persons referred to in section 23 and sub-section (1) of section 24 who appear before him at such time as may be fixed by him or at any other time to which he may adjourn the hearing, and he shall consider and adjudicate upon all claims and objections, and, if in his opinion compensation should be allowed for the land, he shall apportion such compensation among all the persons known or believed to be interested in the land, of whom, or of whose claims, he has information, whether they have or have not appeared before him.

[Cf. Act I  
of 1894,  
s. 11.]

Disputed claims  
to original plots.

**26.** (1) When there is a disputed claim as to the ownership of rights appertaining to any original plot, the arbitrator shall inquire into such claim, in so far as it affects the provisions of the land development scheme, and shall decide the claim for the purposes of the scheme.

[Cf. 1915,  
s. 4.]

(2) A decision under sub-section (1) shall not be subject to appeal, but it shall not operate as a bar to a suit in a civil court.

(3) Whenever a civil court passes a decree which is inconsistent with any such decision, the decree shall be operative and be given effect to for the purposes of the scheme as soon as practicable after such decree has been brought to the notice of the local authority either by the civil court or by some person affected by such decree.

Matters to be  
decided by the  
arbitrator.

**27.** In accordance with the prescribed procedure, the arbitrator shall—

[Cf. 1915,  
s. 30.]

- (1) determine the size and position of the reconstituted plots and the owners of original plots to whom each is to be allotted;
- (2) determine in a case in which a re-constituted plot is allotted to two or more persons in ownership in common, the shares of such persons;
- (3) determine what right (other than rights of ownership) are to be transferred from original plots to re-constituted plots, and on what terms and conditions;
- (4) determine what rights (other than rights of ownership) are to be extinguished, and on payment of what compensation and by whom and in what manner;
- (5) determine which owners of original plots cannot, under the exigencies of the land development scheme, be provided with reconstituted plots, and what compensation shall be paid to such owners and to other persons interested in such plots, and in what manner;

*The Bengal Land Development Bill, 1927.**(Chapter IV.—Arbitration and Appeals.—Clauses 28—31.)*

(6) determine what compensation shall be paid to the owner of, and other persons interested in, any property which is injuriously affected by the making of the land development scheme, and by whom and in what manner;

(7) estimate—

(a) the market value of the land of each original plot at the date of the declaration of intention to make a land development scheme, without reference to the improvements contemplated in the scheme, and

(b) the market value of all buildings standing on such plot at the time when the estimate is made;

(8) estimate the market value of each re-constituted plot with the buildings standing thereon, on the assumption that the land development scheme has been completed;

(9) subject to the provisions of section 20, apportion the estimated cost of carrying out all works to be executed by the local authority under the land development scheme among the owners of the re-constituted plots;

(10) determine the amount (if any) which every owner of a re-constituted plot is to pay or receive owing to the fact that the market value of the plot allotted to him (estimated on the assumption that the land development scheme has been completed) is more or less than his proportionate share calculated in the manner provided in section 36.

Allotment of re-constituted plots.

**28.** (1) In determining the size, position and ownership of re-constituted plots the arbitrator shall occasion as little disturbance of property as possible, and shall approximate the value of such plots as nearly as possible to the share (calculated in the manner provided in section 36) to which each owner is entitled.

(2) If two or more original plots belong to the same owner, the arbitrator may treat them as one for the purpose of allotting re-constituted plots in their place; and he may allot two or more re-constituted plots in place of one original plot.

(3) Every re-constituted plot shall, so far as possible, be made suitable for building purposes.

Demarcation by arbitrator.

**29.** The arbitrator may demarcate the re-constituted plots and the land required for streets, open spaces and other public purposes.

Transfer of rights from original to re-constituted plots, or extinction of such rights.

**30.** Any right in an original plot which, in the opinion of the arbitrator, is capable of being transferred wholly or in part, without prejudice to the making of the scheme, to a re-constituted plot, shall be so transferred, and any right in an original plot which, in the opinion of the arbitrator, is not capable of being so transferred, shall be extinguished: [Cf. 1915, s. 20.]

Provided that an agricultural lease shall not be transferred from an original plot to a re-constituted plot without the consent of all the parties to such a lease.

Compensation for original plots in place of which no re-constituted plot can be provided.

**31.** (1) If, on account of the smallness of the original plot or for any other reason, it is not possible, in the opinion of the arbitrator, to provide a re-constituted plot in place of any original plot, the arbitrator shall award reasonable compensation to the owner of, and other persons interested in, such plot.

*The Bengal Land Development Bill, 1927.**(Chapter IV.—Arbitration and Appeals.—Clauses 32—34.)*

(2) Such compensation shall be equal to the market value of the land of the original plot at the date of the declaration of intention to make a draft scheme, without reference to the improvements contemplated in the scheme, *plus* the market value of all buildings standing on such plot at the time when the compensation is granted, *plus* an allowance of fifteen *per cent.* on the total of these values:

Provided that, in calculating the value of such buildings, the value of any building or part of a building constructed in contravention of section 12 shall be omitted.

Compensation for property or rights injuriously affected by a scheme.

**32.** (1) In determining the compensation to be paid to the owner of, and other persons interested in, any property which is injuriously affected by the making of the land development scheme, the arbitrator shall take the value of such property or of any right therein to be its market value at the date of the declaration of intention to make a scheme without reference to the improvements contemplated in the scheme. [Of. 1915, ss. 21 and 22.]

(2) When any property or any right in any property is injuriously affected by reason of any provisions contained in a land development scheme, no compensation shall be paid in respect of such property or right if, or in so far as, the provisions are such as would have been enforceable without compensation under any Act for the time being in force, or any rule or by-law thereunder.

Buildings constructed in contravention of section 12 to be omitted in estimating values.

**33.** In estimating the market value of buildings under clauses (7) and (8) of section 27, the arbitrator shall omit the value of any building or part of a building constructed in contravention of section 12.

Costs of a land development scheme.

**34.** (1) The costs of a land development scheme shall include— [Of. 1915, s. 16.]

- (a) the remuneration of the arbitrator, the salary and allowances of his staff and all office and contingent expenses duly incurred by him;
- (b) all sums payable to the Trustees for the Improvement of Calcutta on account of the costs of the Tribunal referred to in sub-section (2) of section 39, for hearing appeals from the decisions of the arbitrator;
- (c) all sums payable as compensation for the extinction of rights in original plots, other than rights of ownership which are not transferred to re-constituted plots;
- (d) all sums payable as compensation to owners of, or other persons interested in, original plots in place of which no re-constituted plot is provided;
- (e) all sums payable as compensation to the owner of any property or any right in any property which is injuriously affected by the making of the scheme;
- (f) the estimated cost of carrying out all works to be executed by the local authority under the scheme;
- (g) all legal expenses of the local authority incurred in the making or execution of the scheme;
- (h) such other sums payable in connection with the scheme as may be prescribed.

*The Bengal Land Development Bill, 1927.*

*(Chapter IV.—Arbitration and Appeals.—Clauses 35-36.)*

(2) The sums referred to in clauses (a), (b), (d), (f) and (g) of sub-section (1) shall be payable proportionately by all the owners of re-constituted plots.

(3) The sums referred to in clause (c) of sub-section (1) shall be payable by the owners of the original plots to which such rights were attached.

(4) The sums referred to in clause (e) of sub-section (1) shall be payable either proportionately by all the owners of re-constituted plots or by individual owners of such plots, as the arbitrator, or the Tribunal or court referred to in sub-section (2) of section 39, may direct.

(5) The sums referred to in clause (h) of sub-section (1) shall be payable by such persons as may be prescribed.

(6) The sums referred to in sub-section (2), and such of the sums referred to in sub-sections (4) and (5) as are directed to be payable by all the owners of re-constituted plots, are hereinafter referred to as the general costs of a scheme.

Local authority to determine estimated cost of works to be executed under a land development scheme.

35. (1) The local authority shall determine the estimated cost of carrying out all works to be executed by it under a land development scheme referred to in clause (f) of sub-section (1) of section 34.

(2) If a majority of the owners of re-constituted plots undertake to carry out the work to the satisfaction of the local authority for a sum equal to or less than the sum estimated by the local authority, and if such owners enter into an agreement with the local authority to carry out the work to its satisfaction, and deposit such security as the local authority may require, the work shall be done by such owners under the supervision of the local authority.

Method of calculating share of general costs of scheme and share in reconstituted plots to which each owner is entitled.

36. (1) In order to—

- (a) apportion the general costs of a land development scheme between the owners of re-constituted plots, and
- (b) calculate the proportionate share in all the re-constituted plots within a land development scheme to which each owner of a re-constituted plot is entitled,

the arbitrator shall—

- (i) ascertain the total value of all the original plots belonging to such owners in the manner provided in clause (7) of section 27,
- (ii) ascertain the total value of all the re-constituted plots within the land development scheme in the manner provided in clause (8) of section 27, and
- (iii) ascertain the proportion which the value of the original plot or plots belonging to each of such owners [valued in the manner provided in clause (7) of section 27] bears to the total value ascertained under clause (i).

(2) The proportion ascertained under clause (iii) of sub-section (1) shall be the proportion of the general costs of the scheme payable by each of such owners; and the share to which each of such owners is entitled in the whole of the re-constituted plots shall be such fraction thereof as represents a value bearing the same proportion to the total value ascertained under clause (ii) of sub-section (1) as the share of costs payable by him bears to the general costs of the scheme.

*The Bengal Land Development Bill, 1927.**(Chapter IV.—Arbitration and Appeals.—Clauses 37—39.)*

*Illustration.*—If the total value ascertained under clause (i) is Rs. 10 lakhs, the value of the original plots belonging to a particular owner is Rs. 1 lakh, the total value ascertained under clause (ii) is Rs. 12 lakhs, and the general costs of the scheme are Rs. 1½ lakhs; then the general costs of the scheme payable by such owner will be Rs. 15,000 (one-tenth of Rs. 1½ lakhs) and he will be entitled to re-constituted plots to the value of Rs. 1,20,000 (one-tenth of Rs. 12 lakhs).

Penalty for injuriously affecting certain property included within a scheme.

**37.** (1) When the decision of the arbitrator has been made under the provisions of this Act in respect of any land development scheme, no owner of any land or building shall, without the written permission of the arbitrator, in any way injuriously affect any land or building which in accordance with the provisions of the scheme is intended to pass into the ownership of another person; and if the arbitrator gives such permission, he shall at the same time decide what modifications shall in consequence be made in the amounts to be paid under the scheme or in any of the other particulars referred to therein.

(2) Any owner who contravenes the provision of subsection (1) shall be liable to a fine not exceeding five hundred rupees; and the local authority shall, so far as possible, restore the land or building injuriously affected to its former condition at the expense of such owner.

Powers of arbitrator to vary the draft land development scheme.

**38.** (1) The arbitrator shall, as far as possible, adhere to the draft land development scheme, but he may vary the same if he finds it necessary to do so: [Of. 1915, s. 30 (10).]

Provided that, except with the consent of the local authority,—

- (a) the estimated cost of the works to be executed by the local authority under the scheme and the provision proposed for streets and open spaces shall not be varied; and
- (b) no variation shall be made in respect of the matters referred to in clauses (f) to (j) of section 3.

(2) If the arbitrator applies to the local authority for its consent to any variation under the proviso to subsection (1), the local authority may pass such orders as it thinks fit, and the arbitrator shall be bound to carry out such orders.

(3) If the Local Government has made any modification in sanctioning the scheme under clause (a) of subsection (4) of section 8, such modification shall not be varied except with the consent of the Local Government.

Decision of arbitrator to be final except in certain matters.

**39.** (1) Subject to the provisions of section 38, every decision of the arbitrator shall be final and conclusive and binding on all parties, except in the following matters:—

- (a) the amount of compensation payable in respect of any right in any property, other than a right of ownership, which is to be extinguished;
- (b) the amount of compensation payable to an owner of, or other person interested in, any original plot in place of which no re-constituted plot is provided; and
- (c) the amount of compensation payable to the owner of any property or any right in any property which is injuriously affected by the making of the scheme.

*The Bengal Land Development Bill, 1927.**(Chapter IV.—Arbitration and Appeals.—Clauses 40—43.)*

(2) An appeal shall lie in respect of any of the matters referred to in clauses (a), (b) and (c) of sub-section (1)—

- (a) in the case of any area referred to in clauses (a), (b) or (d) of sub-section (2) of section 1,—to the Tribunal constituted under section 72 of the Calcutta Improvement Act, 1911, and
- (b) in the case of any area referred to in clause (c) of sub-section (2) of section 1 and in the case of any area to which this Act may be extended under sub-section (3) of section 1,—to the principal civil court of original jurisdiction for that area.

Ben. Act V  
of 1911.

Procedure in  
respect of  
appeals.

**40.** (1) No appeal shall be received by the aforesaid Tribunal or court unless it is filed within thirty days from the date of the communication to the party concerned of the decision of the arbitrator appealed against.

(2) In hearing appeals the Tribunal shall be guided by the rules made in this behalf under section 76 of the Calcutta Improvement Act, 1911.

Ben. Act V  
of 1911.

(3) Every decision of the said Tribunal or court shall be final and conclusive and binding on all parties.

[Of. 1915,  
s. 37 (2).]

Payment of costs  
of Tribunal.

**41.** (1) The President of the Tribunal shall certify what amount is payable in respect of the appeals heard by the Tribunal under each land development scheme, based upon the remunerations, salaries, allowances and contributions referred to in sections 73 and 74 of the Calcutta Improvement Act, 1911.

Ben. Act V  
of 1911.

(2) The local authority shall pay the amount certified under sub-section (1) to the Trustees for the Improvement of Calcutta.

Arbitrator to  
forward the final  
land development  
scheme to Local  
Government.

**42.** When the aforesaid Tribunal or court has decided all appeals, or after the period of thirty days allowed for filing appeals has expired, the arbitrator shall forward the final land development scheme, in the prescribed form, through the local authority, to the Local Government, and shall state the date upon which he recommends that the scheme shall come into force, and the liabilities created by it shall take effect.

Contribution of  
local authority  
towards the costs  
of a scheme.

**43.** (1) If the arbitrator is of opinion that the value, estimated in the manner provided in clause (8) of section 27, of the re-constituted plots is less than the value, estimated in the manner provided in clause (7) of that section, of the original plots in place of which the re-constituted plots are substituted (excluding the original plots in place of which no re-constituted plots have been provided), plus the general costs of the scheme, he shall recommend that the local authority shall contribute towards the cost of the scheme the amount of such deficit.

(2) In forwarding the final scheme to the Local Government the local authority shall state whether it accepts such recommendation and, if not, the grounds which it has to urge against it.

(3) If the Local Government directs that any sum be contributed by the local authority towards the cost of a scheme, such sum shall be deducted from the general costs of the scheme, and the share of such costs to be borne by each owner of a re-constituted plot shall be rateably reduced accordingly:

Provided that in connection with any scheme in Calcutta and its neighbourhood where the Trustees for the Improvement of Calcutta have jurisdiction, any sum directed to be contributed by the Local Government under this section shall be contributed equally by the local authority and the said Trustees.

*The Bengal Land Development Bill, 1927.**(Chapter IV.—Arbitration and Appeals.—Clauses 44—47.)*

Refusal to  
sanction final  
land development  
scheme.

**44.** (1) The Local Government may, either upon the recommendation of the local authority or upon receipt of a representation from not less than half the owners of original plots, refuse to sanction the final land development scheme.

(2) If the Local Government refuses to sanction a final scheme under sub-section (1)—

- (a) no new draft land development scheme shall be made in respect of any portion of the area of such scheme within a period of five years, and
- (b) the Local Government shall direct by what persons interested in the scheme the costs incurred in making the scheme, including the draft scheme, shall be paid and in what proportion, and in doing so it may direct that the whole or any part of such costs shall be paid by the local authority.

(3) Such costs as are directed, under clause (b) of sub-section (2), to be paid by persons interested in the scheme shall be recovered by the local authority in the manner provided in section 61 for the recovery of sums due to a local authority under the provisions of this Act.

Notification of  
sanction of  
final scheme.

**45.** (1) Unless the Local Government refuses to sanction the final scheme under section 44, it shall sanction the same without modification and shall announce the fact by notification. [Cf. 1915, s. 40.]

(2) Such notification shall state—

- (a) the date upon which such scheme shall come into force and the liabilities created by it shall take effect,
- (b) the place where such scheme may be inspected by the public,
- (c) the price at which copies of such scheme may be obtained,
- (d) the contribution (if any) which the local authority is required to make towards the cost of the scheme, and
- (e) the period within which the execution of the scheme is to be completed.

(3) On and after the date fixed in such notification the final scheme shall have effect as if it were enacted in this Act.

Arbitrator to  
make over  
schemes, etc., to  
local authority.

**46.** Every arbitrator shall make over, or cause to be made over, all land development schemes, documents, estimates, plans, maps and papers in connection with such schemes to the local authority or other prescribed authority or officer.

Procedure when  
arbitrator reports  
satisfactory  
scheme  
impracticable.

**47.** (1) If at any time before the submission of the final scheme to the local authority the arbitrator is of opinion that it is not practicable to make a satisfactory scheme, he shall report accordingly to the local authority, who shall forward his report, with such remarks and recommendations as it thinks fit, to the Local Government.

(2) Upon receipt of such report, the Local Government may—

- (a) direct that the scheme be abandoned, or
- (b) pass such other orders as the circumstances of the case may require.

*The Bengal Land Development Bill, 1927.*

(Chapter IV.—Arbitration and Appeals.—Chapter V.—Execution and Finance of Land Development and Town-planning Schemes.—Clauses 48—53.)

(3) The costs of a scheme which is abandoned under clause (a) of sub-section (2) shall be paid by the local authority.

(4) The abandonment of a scheme under clause (a) of sub-section (2) shall not operate as a bar to the making of a new draft land development scheme in respect of the same area or any part thereof.

Removal of arbitrator and appointment of another in his place.

48. If it appears to the Local Government that the arbitrator has been guilty of misconduct or is not proceeding with a land development scheme with reasonable efficiency and despatch, it may remove such arbitrator from his office and appoint another person as arbitrator, with such remuneration and staff as it may think fit:

Provided that the Local Government shall, before removing an arbitrator under this section, consider any objections which the local authority or the persons interested in the scheme may urge against such action.

Power of arbitrator to compel attendance of witnesses.

49. An arbitrator appointed under this Act may [Cf. 1915, s. 44] summon and enforce the attendance of witnesses, including the parties interested or any of them, and compel them to give evidence and compel the production of documents by the same means and, as far as possible, in the same manner as is provided in the case of a civil court by the Code of Civil Procedure, 1908.

Act V of 1908.

Arbitrator, etc., to be deemed public servants.

50. An arbitrator appointed under this Act, and every officer and servant appointed under such arbitrator shall be deemed to be a public servant within the meaning of section 21 of the Indian Penal Code.

Act XLV of 1860.

## CHAPTER V.

## EXECUTION AND FINANCE OF LAND DEVELOPMENT AND TOWN-PLANNING SCHEMES.

Effect of final land development scheme.

51. On the date on which the final land development scheme comes into force— [Cf. 1915, s. 41.]

(a) all lands allotted to the local authority for streets, open spaces and other public purposes shall, unless it is otherwise determined in such scheme, vest absolutely in the local authority free from all encumbrances;

(b) all rights in original plots shall determine, and the re-constituted plots shall become subject to the rights settled by the arbitrator.

Power of local authority to evict summarily.

52. On and after the date on which the final land development scheme comes into force any person occupying any land which he is not entitled to occupy under the final scheme may, in accordance with the prescribed procedure, be summarily evicted by the local authority. [Cf. 1915, s. 42.]

Local authority to carry out work under final land development scheme.

53. (1) When the final land development scheme comes into force the local authority shall without delay proceed to carry out the work to be executed by it under the scheme, unless the work is to be carried out by a majority of the owners under sub-section (2) of section 35.

(2) Where the work is to be carried out by a majority of the owners under the said sub-section, if such owners make default or fail to proceed with or to carry out the work to the satisfaction of the local authority, the local authority may itself proceed to carry out the work.

*The Bengal Land Development Bill, 1927.**(Chapter V.—Execution and Finance of Land Development and Town-planning Schemes.—Clauses 54—58.)*

Power of local authority to remove buildings, etc., which contravene land development scheme and to carry out work in default.

**54.** (1) On and after the date on which the final land development scheme comes into force the local authority may, after giving the prescribed notice—

[Cf. 1915, s. 43.]

- (a) remove, pull down or alter any building or other work in the area included in the scheme which is such as to contravene the scheme, or in the erection or carrying out of which any provision of the scheme has not been complied with; and
- (b) execute any work which it is the duty of any person to execute under the scheme in any case in which it appears to the local authority that delay in the execution of the work would prejudice the efficient operation of the scheme.

(2) Any expenses incurred by a local authority under this section may be recovered from the person in default in the manner provided in section 61 for the recovery of sums due to a local authority under this Act.

Payment and recovery of costs of land development scheme.

**55.** (1) The costs of a land development scheme shall be borne in the first instance by the local authority, but the local authority shall recover all such costs as are payable under the final scheme by the owners of or other persons interested in re-constituted plots from such owners or other persons, in the manner provided in section 61 for the recovery of sums due to a local authority under this Act.

(2) The amount payable as the cost of carrying out all works to be executed by the local authority under the scheme shall provisionally be taken to be the estimated cost of such works as shown in the final scheme. The amount shall be finally determined by the local authority, on the completion of all such works by the local authority, on the basis of the actual costs of such works; and the local authority shall thereupon either be entitled to receive from or be liable to refund to the owners of, or other persons interested in, re-constituted plots, proportionately in accordance with their shares as shown in the final scheme, any amount by which the actual cost of such works may exceed or fall short of such estimate.

Recovery and payment of amounts due from owners of re-constituted plots.

**56.** The amounts which the owners of re-constituted plots have to pay under clause (10) of section 27 shall be recovered by the local authority in the manner provided in section 61 for the recovery of sums due to a local authority under this Act.

Payments by adjustment of account.

**57.** All payments due to any person from a local authority under this Act shall, as far as possible, be made by an adjustment in such person's account with the local authority in respect of the plot concerned or of any other plot in which he has an interest, and, failing such adjustment, shall be paid in cash or in such other way as may be agreed upon by the parties.

[Cf. 1915, s. 25.]

Power of local authority to borrow money for a town-planning or land development scheme.

**58.** (1) The local authority may borrow money under the Local Authorities Loans Act, 1914, or under any other enactment for the time being in force, to defray the costs of a town-planning or a land development scheme, including any contribution to such scheme which the local authority may be required to make or in order to make advances for the erection of dwelling-houses under section 60.

[Cf. 1915, s. 6.]  
IX of 1914.

(2) Any expenses incurred by the local authority under this Act may be defrayed out of the funds of such local authority.

*The Bengal Land Development Bill, 1927.*

(Chapter V.—Execution and Finance of Land Development and Town-planning Schemes.—Chapter VI.—Miscellaneous.—Clauses 59—63.)

Payment of net amount due to local authority.

59. (1) The net amount payable under this Act by the owner of a re-constituted plot may, at the option of such owner, be paid in one sum or in such instalments, including charges for interest, as shall be fixed by the local authority with the sanction of the Local Government:

[Cf. 1915, s. 26.]

Provided that no interest shall be payable on any sum remaining due or unpaid for not more than six months from the date when the scheme comes into force.

(2) Such amount shall be a charge upon the re-constituted plot allotted to such owner, and shall be recoverable in the manner provided in section 61 for the recovery of sums due to a local authority under this Act.

(3) When more than one re-constituted plot is in the same ownership, the net amount payable by such owner under this Act shall be a charge upon all such plots, unless the local authority and the owner agree to a different method of distribution.

Power of local authority to advance a sum for the erection of a dwelling-house.

60. (1) The local authority may advance money to any owner of any re-constituted plot for the erection of a dwelling-house on the security of the said plot and the proposed building, and upon such terms and conditions as to repayment thereof with interest as the local authority may think fit.

(2) The local authority may from time to time make rules for regulating the maximum sum to be advanced, the rate of interest to be charged and the period of repayment and providing for such other terms and conditions as the local authority may think fit.

Recovery of sums due to local authority.

61. Any sum due to the local authority under this Act may be recovered by the local authority under the procedure for the time being in force for the recovery of local rates, and if not so recovered, the local authority may, after giving written notice of its intention to do so, and not less than one month after such notice, enter upon the land and sell the same, with any erection standing thereon, by public auction, and may deduct the said sum and the expenses of the sale from the proceeds of such sale, and shall pay the balance (if any) to the defaulter.

Local authority to keep accounts of each land development scheme.

62. The local authority shall keep separate accounts of all receipts and expenditure in connection with each land development scheme, and such accounts shall be audited in the same manner as municipal accounts with the same incidents and consequences.

## CHAPTER VI.

## MISCELLANEOUS.

Joint town-planning schemes.

63. (1) When two or more local authorities are of opinion that the interests of contiguous areas within their respective jurisdictions can best be served by the making of a joint town-planning scheme, and the Local Government agrees with such opinion, a Joint Town-Planning Board shall be constituted.

[Cf. 1915, s. 45.]

(2) Such Board shall be of such number of members as the Local Government may prescribe and shall consist of representatives elected by each of the several local authorities and persons nominated by the Local Government in the prescribed proportion:

Provided that the number of elected members shall not be less than two-thirds of the total number of members of the Board.

*The Bengal Land Development Bill, 1927.**(Chapter VI.—Miscellaneous.—Clauses 64—67.)*

(3) The representatives of the several local authorities shall be elected in the prescribed manner on dates to be appointed by the Local Government.

(4) Where such Board consists of representatives of local authorities constituted under different Acts, the procedure of the Board shall be regulated in accordance with the procedure of such local authority represented on the Board as the Local Government may direct.

(5) Such Board, when duly constituted, shall make a declaration of intention to make a joint town-planning scheme in respect of the contiguous areas in the manner provided in section 17, and thereafter the procedure shall follow all the provisions of this Act in respect of declarations made under that section, and such Board shall have all the powers and be liable to all the duties of a local authority under this Act.

(6) The draft joint town-planning scheme shall specify the parts of the scheme to be executed by the several local authorities in the several contiguous areas, and the several parts of the scheme shall, when notified in the final scheme, have effect in the several contiguous areas as if they were separate schemes:

Provided that any part of a joint town-planning scheme may be executed jointly by two or more local authorities.

Power to vary or  
revoke a land  
development  
scheme.

**64.** (1) A land development scheme may at any time be varied or revoked by a subsequent scheme prepared, published and sanctioned in accordance with this Act. [Cf. 1915, s. 46.]

**STATEMENT OF OBJECTS AND REASONS.**

The object of the Bill is to regulate the development of urban areas so as to secure proper sanitary conditions and public amenities to provide suitable building sites and to afford facilities for the erection of dwelling-houses. It extends in the first instance to Calcutta, Howrah, and all municipalities in Bengal with a population of not less than 30,000 and an annual income of not less than Rs. 50,000 and to any other municipal area in the neighbourhood of Calcutta to which any of the provisions of the Calcutta Improvement Act have been extended. At the same time power has been taken to extend its provisions to any other selected municipality on the previous application of the Commissioners of that municipality.

2. The object of the Bill will be carried out by initiating land development and town-planning schemes. The former class of schemes which will be executed as necessity arises are meant for the development of building sites in selected areas. Under such schemes all lands included in them will be "pooled" and treated as if the lands were owned in common, each owner being entitled to a share in the final distribution proportionate to the value of his original holding and being liable for the same proportionate share of the cost of the scheme. This method of procedure has the advantage of simplicity, besides being fair and equitable. The net amount payable by the owner of a reconstituted plot may at his option be paid in one or more instalments, and to help him to erect a dwelling-house, the local authority is authorized to advance money to him on the security of the plot. It is intended that land development schemes should be confined chiefly to areas in Calcutta, which are not closely affected by the schemes of the Calcutta Improvement Trust. They will provide a means of supplementing the work of the Trust by laying out, with the co-operation of the owners, areas in the vicinity of street schemes undertaken by the Trust and of developing areas which are ready for building.

Town-planning schemes, on the other hand, are intended to lay down in advance a well-designed plan for a growing town which will be gradually realized as time goes on. The local authority may at any time proceed to carry out the whole or part of a town-planning scheme, either by means of a land development scheme or schemes or by acquiring land and carrying out the scheme at its own cost, or by a combination of the two methods. A town-planning scheme may provide for the construction or alteration of streets, the allotment or reservation of areas for residential and trade or industrial purposes and for open spaces, gardens, recreation grounds, etc. It has been made obligatory on municipalities in which the Act comes into force to prepare a town-planning scheme within three years from the commencement of the Act in those municipalities.

3. The Bill is mainly based on the Bombay Town Planning Act, but differs from this Act in one important particular. The Bombay Act following the lines of the English Housing and Town Planning Act, 1909, provides that the cost of a town-planning scheme shall be borne by the local authority which may recover one-half of the increased value of any property included in the scheme from the owner of such property. The present Bill, on the other hand, provides that the whole cost of a scheme shall be borne by the owners, irrespective of the amount of the increase in land value which they are likely to derive from the improvement. This provision has been made in view of the fact that the operation of the Calcutta Corporation and the Calcutta Improvement Trust have shown that in the case of undeveloped areas a sum in excess of the cost of land development schemes undertaken by them can generally be realized from the owners of lands beneficially affected by these schemes. A safeguard has been added by providing that, if it is estimated that the increased value of the land is likely to be less than the cost of the improvements, Government may direct the local authority to make good the deficit by a contribution towards the cost of the scheme.

4. The general lines on which the proposed measure will be worked are as follows:—

(1) A land development scheme is to be initiated by the Corporation or other local authority either *suo motu* or on the application of at least six owners possessing together at least one-half of the land in the area concerned.

(2) The local authority after declaring its intention to frame a land development scheme, will consider the objections and suggestions of all owners of land and other persons interested, and will then proceed to prepare a draft scheme.

(3) The draft scheme will be submitted to Government who may sanction it with or without modification.

(4) After a draft scheme has been sanctioned, an arbitrator will be appointed by Government to work out all the necessary details and prepare a final scheme for the sanction of Government.

(5) Each owner will be allotted a plot approximating as nearly as possible to the proportionate share to which he is entitled according to the value of his original holding, and will have to pay or receive the difference, according as the value of the plot allotted to him is more or less than that share.

(6) Similarly the cost of the scheme will be divided between the owners in the same proportion.

(7) Generally speaking, the decisions of the arbitrator will be final, but in certain matters of compensation an appeal shall lie to the Tribunal constituted under the Calcutta Improvement Act or to the principal civil courts in areas outside Calcutta, as the case may be.

(8) A date will be fixed on which the scheme will come into force, and on that date all former rights in the area will cease, and the various owners will take up the reconstituted plots which have been allotted to them.

(9) On the same date all land required for roads, open spaces, etc., will vest in the local authority, which will proceed to execute the various works provided for in the scheme.

(10) The cost of the scheme will in the first instance be borne by the local authority, and will subsequently be recovered from the owners concerned either in a lump sum or by instalments.

#### NOTES ON CLAUSES.

*Clause 1.*—It has been provided that in extending the proposed Act to any Municipality not mentioned in this clause, on the previous application of the Commissioners, the Local Government shall take into consideration any objection from any rate-payer or inhabitant of that Municipality.

*Clause 2 (1).*—The definition of “building” has been taken from clause (a) of section 3 of the city of Bombay Municipal Act, 1888 (Bom. Act III of 1888), the exception as regards the boundary wall being omitted.

*Clause 2 (9).*—The definition of “reconstituted plot” includes every plot in the new lay-out instead of merely such plots as have been altered as in the Bombay Act.

*Clause 5.*—This clause gives the majority of owners the right to apply to the local authority to have a scheme prepared, and the local authority is bound to consider any representation and may either reject the application or declare its intention to make a scheme.

*Clauses 7 and 8.*—These clauses lay down the procedure for the preparation and sanction of a draft land development scheme, and also provide that the scheme shall be deemed to have been sanctioned if no communication is received from the Local Government within two months.

*Clause 9.*—This clause provides that the notification sanctioning the draft scheme should specify the period within which the final scheme is to be submitted to the Local Government and that such notification shall be conclusive evidence that the scheme has been duly made and sanctioned.

*Clause 11.*—This clause provides for certain cases in which the reconstituted plot shall be allotted to the owner in place of the original plot.

*Clause 12.*—This clause corresponds to section 15 of the Bombay Act and provides the necessary machinery (based on the Calcutta Municipal Act, 1923,) for awarding such compensation as the local authority may think fit in certain circumstances.

*Clause 13* enables the Local Government to supersede a local authority which fails to make or execute a scheme.

*Chapter III.*—This Chapter deals with what are known as “town-planning schemes.”

*Clause 14.*—This clause provides that in certain areas a town-planning scheme shall be made by the local authority within three years from the commencement of the Act.

*Clause 16.*—This clause provides for the allotment in a town-planning scheme of areas for residential purposes and for offensive and dangerous trades, etc.

*Clause 17.*—This clause provides that the intention to make a town-planning scheme shall be published and that the local authority may after taking into consideration any objection, make such scheme.

*Clause 18* provides that the sanction of the Local Government shall be necessary for a town-planning scheme which shall be deemed to have been sanctioned if no communication is received from the Local Government within six months.

*Clause 21.*—This clause provides for the appointment of an arbitrator by the Local Government.

*Clauses 23, 24 and 25.*—These clauses lay down the procedure for inquiring into the claims of persons whose rights and interests are affected by a land development scheme and are based on sections 9, 10 and 11 of the Land Acquisition Act, 1894 (I of 1894).

*Clause 26.*—This clause is based on section 4 of the Bombay Act, but it extends not only to cases of disputed ownership, but also to any claim of right in any plot included in the scheme in so far as it affects the scheme.

*Clause 27.*—This clause sets forth the duties of the arbitrator. It follows section 30 of the Bombay Act.

*Clause 30.*—This clause is modelled on section 20 of the Bombay Act. A right may be transferred from an original to a reconstituted plot. The arbitrator shall decide how far the right is capable of being so transferred.

*Clause 31* provides that in any case in which it is not possible to provide a reconstituted plot in place of an original plot, the market value of such plot and buildings, if any, *plus* the usual 15 per cent. allowance, shall be paid as compensation.

*Clause 32.*—This clause is based on sections 21 and 22 of the Bombay Act, and provides compensation for property or rights injuriously affected by a scheme.

*Clause 34.*—This clause enumerates the costs of a land development scheme. It is based on section 16 of the Bombay Act. It also defines what are termed the "General costs of a scheme" which are to be divided amongst all the owners of reconstituted plots in proportion to their share in the whole scheme.

*Clause 35.*—This clause is necessary on account of the provisions of clause 55 (2). It is necessary to give the local authority some safeguard to ensure that the work be carried out by the owners of reconstituted plots to its satisfaction and a similar safeguard is given to the owners concerned by allowing them to undertake the work themselves under the supervision of the local authority at the estimated cost.

*Clause 36.*—The principle involved in this clause is made clear in the illustration. All owners to whom reconstituted plots are allotted are treated as co-sharers in the whole scheme, their share being proportionate to the value of the original plots owned by each. Having ascertained what this proportion is, each owner is entitled to the same proportionate value of the whole of the reconstituted plots, and similarly he has to pay the same proportionate share of the general costs of the scheme.

*Clause 37.*—The intention of this clause is that after the arbitrator has made his award, no owner shall, without the written permission of the arbitrator, do anything which would in any way diminish the value of any land or building which will pass into the ownership of another person in accordance with the scheme.

*Clause 38.*—This clause corresponds to section 30 (10) of the Bombay Act. The consent of the local authority is considered sufficient for variations from the draft scheme except in respect of modifications made by the Local Government.

*Clause 39.*—This clause declares that the decision of the arbitrator shall be final except in respect of compensation payable under a scheme.

*Clause 40.*—This clause lays down the procedure to be followed by the Tribunal or court in hearing appeals.

*Clause 41.*—This clause provides for the payment of costs to the Tribunal in respect of appeals.

*Clause 43.*—This clause makes it incumbent on the local authority to make a contribution towards the costs of a scheme.

*Clause 44.*—This clause gives power to the Local Government to refuse sanction to a final land development scheme in certain circumstances.

*Clause 48.*—This clause provides for the circumstances in which an arbitrator may be removed and another appointed in his place.

*Clause 49.*—This clause is based on section 44 of the Bombay Act and gives power to the arbitrator to compel the attendance of witnesses in the manner provided in the Code of Civil Procedure, 1908.

*Clause 50.*—This clause makes the arbitrator and officers and servants under him public servants within the meaning of section 21 of the Indian Penal Code.

*Clause 51.*—This clause is based on section 41 of the Bombay Act and indicates the effect of a final land development scheme.

*Clause 52.*—This clause is based on section 42 of the Bombay Act, and gives power to the local authority to evict summarily persons occupying land which they are not entitled to occupy under the final scheme.

*Clause 53.*—This clause gives power to the local authority to carry out the work under a final land development scheme if the majority of the owners fail to do so.

*Clause 54.*—This clause is based on section 43 of the Bombay Act, and enables the local authority to remove buildings, etc., which contravene a land development scheme and to carry out the work which is not duly executed.

*Clause 71.*—This clause lays down that the procedure of a local authority under the proposed Act shall be regulated by the law under which the local authority is constituted.

*Clause 73.*—This clause corresponds to section 52 of the Bombay Act. It provides for the making of rules both specifically and generally in connection with the administration of the proposed Act. The power to make rules has been made subject to the condition of previous publication.

The Schedule which is on the lines of Schedule XIX of the Calcutta Municipal Act, 1923, specifies the offensive and dangerous trades for which it is considered desirable that separate allotment of areas should be made in town-planning schemes.

2. A description of the scheme is given below :—

This scheme provides for completing the work which still remains in order to widen Diamond Harbour Road to its aligned width between Sterndale Road and the Railway Bridge. The tram lines for the section between Sterndale Road and Alipore Lane and up to a point 50 yards south of the lane will be relaid along the eastern flank of the widened road.

From this point to the southern boundary of the scheme the tram track will remain in its present position, which is sufficiently near the centre line of the road.

The tramway junction at the meeting of Alipore Lane and Diamond Harbour Road will be remodelled by the acquisition of a piece of land from the south-west corner of the Alipore Lines property.

The following figures show the extent of the scheme :—

TO HIS EXCELLENCY THE RIGHT HON'BLE SIR FRANCIS STANLEY JACKSON, P.C., G.C.I.E., GOVERNOR OF BENGAL.

In the matter of an election petition under Part VII of the Bengal Electoral Rules, and the Bengal Electoral Regulations,

and

In the matter of the bye-election to the Bengal Legislative Council from the Calcutta North (Muhammadan) constituency held on the 4th day of May 1927,

and

In the matter of Shaikh Abdul Wahab, of 43, Tiretta Bazar, in the town of Calcutta, petitioner,

versus

- (1) Sir Abdur Rahim, of 6, Loudon Street, in the town of Calcutta,
- (2) Yusuf Cassim Ariff, of 3, Amratola Lane, in the town of Calcutta, respondents.

The humble petition of Shaik Abdul Wahab, the petitioner abovenamed, of No. 43, Tiretta Bazar, in the town of Calcutta,

MOST RESPECTFULLY SHEWETH :—

1. That your petitioner was a candidate for election to the Bengal Legislative Council from the Calcutta North (Muhammadan) constituency aforesaid at the last bye-election, the two respondents abovenamed being the only other candidates.

2. That polling for the above constituency took place on the 4th of May 1927.

3. That upon the counting of votes by the Returning Officer the Respondent No. 1, the said Sir Abdur Rahim, was declared elected as having obtained the largest number of votes, and his name has since been published as such in the *Calcutta Gazette*.

4. That the voting as declared by the Returning Officer was as follows :—

|                          |     |     |     |            |
|--------------------------|-----|-----|-----|------------|
| (i) Sir Abdur Rahim      | ... | ... | ... | 582 votes. |
| (ii) Yusuf Cassim Ariff  | ... | ... | ... | 175 „      |
| (iii) Shaikh Abdul Wahab | ... | ... | ... | 4 „        |
| (iv) Rejected            | ... | ... | ... | 26 „       |

5. That in common with Mr. Yusuf Cassim Ariff, Respondent No. 2, your petitioner's object in offering himself as a candidate was to contest the Respondent No. 1, Sir Abdur Rahim, as your petitioner was opposed to the said Sir Abdur Rahim on principle and disapproved of his politics and your petitioner and the said Respondent No. 2 were really acting in the same interest at the said election.

6. That your petitioner is informed and believes to be true that the said Sir Abdur Rahim by himself, by his volunteers, agents and others acting on his behalf, and with his knowledge or connivance were guilty of various corrupt practices specified in Parts I and II of Schedule V of the Bengal Electoral Rules at the said bye-election, such as undue influence, false personation, treating, illegal payments with a view to the improper influencing of votes, the publication of false statements and statements reflecting on the personal character and conduct of the petitioner with the object of prejudicing your petitioner's candidature and that of Mr. Yusuf Cassim Ariff, and your petitioner charges that the said election was not a free and proper election and the result of the election was materially affected by reason of the commission of said corrupt practices.

7. That your petitioner states and charges *inter alia* as follows :—

to record their votes in his favour in consideration of his (Sir Abdur Rahim's) promise of support to the candidature of the said Abdur Razzaq for election to the Calcutta Corporation at the bye-election which was to be held on the 14th May from constituency No. II (wards Nos. 8 to 12). •

(b) That on the night of the 2nd of May 1927 at about 10 P.M. one Ashanoor of 81, Peter's Lane, Calcutta, one of the agents of Sir Abdur Rahim, assaulted Abdul Ally Ispahany of Ripon Street, Calcutta, and threatened him and other supporters of Mr. Yusuf Cassim Ariff with bodily harm and physical violence with a view to procure their support for Sir Abdur Rahim.

(c) That the said Sir Abdur Rahim employed a number of men, such as Ashanoor, of 81, Peter's Lane, and Golam Imam, of No. 6, Loudon Street, Calcutta, to intimidate, and they did intimidate voters by threat of physical violence, thereby interfering with the free exercise of their electoral rights by the said voters, and that the said Ashanoor and Golam Imam and others also prevented several voters by physical force from entering the polling booth to record their votes.

(d) That the said Sir Abdur Rahim's agents also threatened your petitioner's canvasser Mahbub Khan with physical violence and bodily harm, if he did not desist from canvassing for your petitioner as well as for Mr. Yusuf Cassim Ariff.

(e) That Abdur Razaq, Hajee Abdus Sattar of Harinbari Lane visited Mr. Yusuf Cassim Ariff several times on behalf of Sir Abdur Rahim and attempted to induce him to withdraw in favour of Sir Abdur Rahim, as Mr. Mahbub Ally had done, on the eve of the general election, having been prevailed upon to do so by Sir Abdur Rahim's personal appeal to him at No. 3, Turner Street, at the residence of Mr. A. F. M. Abdul Ali and Sir Abdur Rahim holding out hopes to him of various advantages in business and otherwise.

(f) That the said Sir Abdur Rahim also caused Mr. Yacoob Cassim Ariff to approach his brother the Respondent No. 2 in order to induce him to withdraw his candidature in favour of the said Sir Abdur Rahim, promising that if he did so the said Sir Abdur Rahim would get Mr. Mahomed Rafique to withdraw his election petition against the said Mr. Yacoob Cassim Ariff which was then pending in connection with his election to the Indian Legislative Assembly, or bring about an amicable settlement between the said Yacob Cassim Ariff and Mahomed Rafique.

8. That your petitioner states that at the polling station at the Deaf and Dumb School, the Presiding Officer violated the rules of the secrecy of the ballot and recorded the votes of a large number of voters openly in sight of the polling agents of either side, and thereby materially affected the result of the election, as a large number of voters who would otherwise have recorded their votes in favour of Mr. Yusuf Cassim Ariff could not do so or were prevented from going to the polling station to record their votes for that reason.

9. That your petitioner states that with a view to misleading illiterate voters who had promised their votes to Mr. Yusuf Cassim Ariff, the said Sir Abdur Rahim by himself, his agents and canvassers, issued cards to them, purporting to be a facsimile of the ballot paper in which the name of Mr. Yusuf Cassim Ariff was placed first, whereas in the real ballot paper Mr. Yusuf Cassim Ariff's name appeared second, and Sir Abdur Rahim all along knew that it would so appear.

10. That your petitioner further charges that the said Sir Abdur Rahim by himself and his agents caused various persons, whose names your petitioner is unable to state, to personate electors whose names were entered in the electoral roll, but who were really dead or were absent and did not come to the polling station to record their votes and thereby procured the application by them of voting papers to which they were not entitled.

11. That as required by rule 33, clause (2), your petitioner begs to annex to this petition a list of the said corrupt practices with particulars and craves a reference thereto as part of this petition.

12. That your petitioner begs to deposit herewith security of the required amount for costs in cash, Rs. 1,000.

13. That the respondent No. 1 submitted his return of election expenses on the 20th May 1927.

14. That the said return of election expenses is false and false to the knowledge of the Respondent No. 1, for which an early enquiry is necessary in the interest of purity of election and general administration.

15. That your petitioner craves leave to supply further particulars of the various corrupt practices stated in this petition before the trial.

16. That in the premises aforesaid your petitioner submits that the said election of Sir Abdur Rahim was null and void and ought to be set aside and a fresh election ordered.

Under the circumstances your petitioner prays that it may be determined that the said Sir Abdur Rahim, Respondent No. 1, was not duly elected or returned and that the said election may be declared null and void and your petitioner further prays for the costs of this petition.

And your petitioner as in duty bound shall ever pray.

**Verifications.**

1, Shaikh Abdul Wahab, the petitioner abovenamed, hereby state that the statements in paragraphs 1, 2, 3, 4, 5 are true to my knowledge and those in paragraphs 6, 7, 8, 9, 10—16 are made on information received and believed as true. This verification is signed by me at Writer's Building, Calcutta, on the 4th June 1927, at 11 A.M.

(Sd.) SHAIKH ABDUL WAHAB.

**List of corrupt practices referred to in the annexed petition.**

1. *Treating*.—Arrangements made for supplying food and drink to voters at and near the various polling stations on the date of polling.

2. *Illegal payments*.—Such as amongst others payment of Rs. 5 to one Mr. M. A. Beg by Mahomed Rafique (an agent of Sir Abdur Rahim) at the polling station IIIA on the date of polling.

3. *Undue influence*.—Voters, mostly illiterate and susceptible to religious injunctions, were influenced by threats and inducements not to vote for your petitioner.

4. *False personation*.—

(a) Persons dead or absent, but whose votes were recorded by others by falsely personating them. Some of these votes were challenged and a note of such challenged votes had been made by the Presiding Officer

(b) Same persons voting at more than one polling station at the election.

5. *Hiring of taxis, etc.*—Taxis and lorries, etc., were hired for the conveyance of voters to the polling booths, and Calcutta Corporation cars were also illegally employed for similar purpose with a view to influence voters.

6. *Publication of false statements*.—Leaflets and pamphlets were circulated with misleading suggestions and false statements and statements reflecting on the personal character and conduct of the petitioner with the knowledge and connivance of the Respondent No. 1 or his agents calculated to and did influence a large number of voters all over the area against the other candidates and prejudiced their candidature.

Malicious insinuations were circulated against your petitioner. Copy of one leaflet is attached herewith (original to be produced at the trial), in which the petitioner and Respondent No. 2 and their supporters have been described *inter alia* as the "slaves of Ram", "slaves of Hindus" and "hirelings of Hindu Mahasabites" and the "Supporters of Sanghathani Ministry".

7. *Filling of false return of expenses, e.g.*, no amounts shown in the receipts column with the object of suppressing the source or sources from which the money was obtained.

**Verifications.**

**Translation of extract from the copy of the leaflet annexed herewith.**

\*\*\*\*\* Musalmans! who are you going to vote for? For the servants of Rahim (Worshippers of God) or for the slaves of Rama (Hindus) \*\*\*\*\* Musalmans! don't be deceived. See what class of men Suhrawardy Sahebs are setting up against Sir Abdur Rahim. First, Abdul Wahab who is an inhabitant of Burdwan district and who is a resident in his father-in-law's district, Hooghly. One of his brothers, Abdul Mabud, was a well-known Bhanr (buffoon) and the self-same brother is now a cook and Kjejmatgar of a European at Park Street. Second, Yusuf Ariff whose elder and respected brother repeatedly asked him to withdraw from opposing an able and esteemed personage like Sir Abdur Rahim. He had openly announced it at the Halliday meeting, but Yusuf Ariff did not listen to the request of his brother. Out of regard for the wishes of Suhrawardy Sahebs he spurned the request of his elder and respected brother. Now if the same Suhrawardy Sahebs ask him to defend the Hindu Sabha which they are doing themselves will not Yusuf Ariff then listen to them? \*\*\*\*\* Can such a man who rebels against his own brother do any good to his community? \*\*\*\*\* The men of Suhrawardy Sahebs along with the Hindus are knocking about in search of such low class Musalmans who will vote or secure votes against Sir Abdur Rahim by selling their religion for a few coin from the Hindus.

## ANNEXURE A.

*Resolutions for the recruitment in India for the Indian Railway Service of Engineers.*

## PART I.—General.

1. The permanent establishment of the Indian Railway Service of Engineers is recruited from the following sources :—

- (1) Officers of Royal Engineers.
- (2) Persons of non-Asiatic domicile appointed by the Secretary of State, by selection from the United Kingdom.
- (3) Persons of Indian domicile appointed by the Government of India after competitive examinations held in India.
- (4) Promotion of specially qualified officers of the Provincial Engineering Service and Engineering subordinates.
- (5) Occasional admission of other qualified persons.

2. Selected candidates only will be permitted to appear at the competitive examination, referred to in Rule 1 (3). Regulations prescribing the qualifications of candidates and the method of selection and the rules for the examination are detailed in Part II of these regulations.

3. Of the total number of vacancies in a year, to be filled in India by direct recruitment, under Rule 1 (3), two-thirds will be filled on the results of the competitive examination in the direct order of merit, provided that number of candidates is declared by the Public Service Commission as having qualified by examination. The remaining one-third vacancies will be reserved by the Government of India to redress, so far as may be necessary, marked communal inequalities, and any appointments, which it may be necessary to make on these grounds, shall be made by the Governor-General in Council, after consultation with the Public Service Commission, by direct nomination from among candidates who have attained the qualifying standard at the examination. Such

vacancies, among the one-third reserved, as may not be required for the redress of communal inequalities, or for which duly qualified candidates for direct nomination may not be forthcoming, may be filled in the direct order of merit in which the candidates passed the examination.

*Note.*—Certain appointments in the Indian Railway Service of Engineers were formerly guaranteed to the students of some of the Engineering Colleges. The guarantee has for the future been withdrawn, but to protect the interests of the students who were in the Colleges, when the changes were introduced, the guarantee system will be continued until 1928. The number of vacancies in the Indian Railway Service of Engineers to be recruited for under these regulations will up to that year be reduced by the number of appointments guaranteed.

4. From the list prepared by the Public Service Commission, of competitors, who have in the opinion of the Commission attained the qualifying standard (*vide* Rule 22 of Part II of these regulations), candidates, to the number of vacancies to be filled under Rule 1 (3), will be selected for appointment from this list, in the manner laid down in Rule 3, provided that the Government of India are satisfied that they are duly qualified in other respects. Should any selected candidate become disqualified, the Government of India will determine whether the vacancy thus created shall be filled or not; in the former case, the candidate next in order of merit, and in other respects duly qualified shall be deemed to be the selected candidate.

*Note.*—If a candidate having been nominated by the local Selection Committee (see Part II of the regulations) as a candidate for both the Indian Railway Service of Engineers and the Transportation (Traffic) and Commercial Departments, is a selected candidate for both, he shall be treated as a selected candidate for that service or department only for which he expressed a preference at the time of his application.

5. (a) Candidates selected for appointment under Rules 3 and 4 will be appointed as probationers on an agreement for three years in the first instance and will, during the period of their probation, draw an allowance of Rs. 300 per mensem in the first year, Rs. 350 in the second year and Rs. 400 in the third year of service, subject to satisfactory reports on their work being received at the end of each year of probation. All the men appointed will, during the period of their probation, be required to undergo practical training of one year on a State Railway, including six months in a Railway Workshop and a further six months on construction or survey, as indicated in Appendix I.

(b) At the conclusion of the probationary period all probationers who are favourably reported on will be required to undergo a final practical examination, which will include tests in levelling, surveying, practical design and setting out of work, the manufacture and use of materials, analysis of rates, drawing and estimating, and will, if successful, be confirmed in the Indian Railway Service of Engineers on pay of Rs. 475. On confirmation their agreement will be continued subject to their service being terminable on six months' notice on either side.

6. Probationers will be required to pass a riding test within two years of appointment.

7. Probationers will be required to pass a language examination in *Urdu* by the Preliminary Standard modified to suit the requirements of the Railways, before they can be confirmed or granted any increment, beyond the first, during the period of probation. Probationers whose vernacular is *Urdu* may be exempted from passing the language examination. Failure to pass the examination within the probationary period involves liability to removal from service.

8. Officers (including probationers) of the Indian Railway Service of Engineers, recruited under these regulations will not be entitled to pension on quitting the service, but will be eligible throughout their service for the benefits of the State Railway Provident Fund, to which they will be required to subscribe, and by the rules of which Fund they will be required to abide. They will also be eligible for gratuities for good, efficient, faithful and continuous service. A summary of the benefits of the State Railway Provident Fund and the Gratuity Rules will be found in Appendix II.

9. Pay will commence from the date of joining service. Service for increments will also count from the same date. Particulars as to pay are contained in Appendix III.

10. Leave Rules applicable to State Railway officers are under revision. Officers recruited under these regulations will, pending the revision of the rules, be entitled to leave under the existing rules, but the revised rules will apply to them when they are brought into force.

11. Officers will ordinarily be employed throughout their service on the Railway to which they may be posted on first appointment and will have no claim, as a matter of right, to transfer to some other Railway. But the Government of India reserve the right to transfer such officers, in the exigencies of service, to any other Railway or project in or out of India.

12. Officers recruited for the Indian Railway Service of Engineers in the United Kingdom by the Secretary of State must, as one of the qualifications for their appointment, have undergone at least one full year's practical training before selection, while the officers recruited in India will obtain that training after appointment. In the circumstances officers recruited in the United Kingdom will be given one year's seniority over those recruited in India.

13. The Government of India reserve the right of assigning to the R. E. officers recruited for the Indian Railway Service of Engineers, under the rules laid down by the Secretary of State, and to officers promoted from the subordinate ranks, positions in the seniority list at their discretion.

3. The candidate's height will be measured as follows :—

He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. No fixed limit of height is enforced.

4. The candidate's chest will be measured as follows :—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted around the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in inches, 33-35, 34-36½, etc. In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded.

(i) *General.*—The candidate's eyes will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any morbid conditions of the eyes, eyelids, or contiguous structures, of such a sort as to render, or to be likely at a future date to render, him unfit for service.

(ii) *Visual Acuity.*—The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision, and the examination will include two

tests, one for distant and the other for near vision. Each eye will be examined separately. No candidate will be accepted whose Visual Acuity falls below the following standards :—

|                         |     |     |     | The one eye | The other eye. |
|-------------------------|-----|-----|-----|-------------|----------------|

(iii) *Colour Perception*.—The candidate will be examined for colour knowledge with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect of colour perception will be a cause for rejection of the candidate.

(iv) *Night Blindness*.—The candidate's Night Vision will be tested, with the apparatus and according to the methods prescribed by the Railway Board's Advisory Committee of Medical Officers, to ascertain whether or not he suffers from night blindness. The candidate who under the conditions of the ordinary Test for Visual Acuity has 6/6 Vision with both eyes open, with or without glasses, will be rejected if, under the conditions of the Night Blindness Test, his vision with both eyes open, with or without glasses, falls below 6-24.

(v) *Field of Vision*.—The fields of vision of the candidate's eyes will be examined with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect will be a cause for rejection of the candidate.

7. The urine (passed in the presence of the examiner) should be examined and the result recorded.

8. The following additional points should be observed :—

- (a) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear,

## ANNEXURE B.

*Regulations for recruitment in India for the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways.*

## PART I.—GENERAL.

1. The permanent establishment of the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways is recruited from the following sources :—

- (1) Officers of Royal Engineers.
- (2) Persons of non-Asiatic domicile appointed by the Secretary of State by selection from the United Kingdom.
- (3) Persons of Indian domicile appointed by the Government of India after competitive examinations held in India.
- (4) Promotion of specially qualified officers of the Local Traffic Service and subordinates of the Transportation (Traffic) and Commercial Departments.
- (5) Occasional admission of other qualified persons.

2. Selected candidates only will be permitted to appear at the competitive examination, referred to in Rule 1 (3). Regulations prescribing the qualifications of candidates and the method of selection and the rules for the examination are detailed in Part II of these regulations.

3. Of the total number of vacancies in a year, to be filled in India by direct recruitment under Rule 1 (3), two-thirds will be filled on the results of the competitive examination in the direct order of merit, provided that number of candidates is declared by the Public Service Commission as having qualified by examination. The remaining one-third vacancies will be reserved by the Government of India to redress, so far as may be necessary, marked communal inequalities, and any appointments, which it may be necessary to make on these grounds, shall be made by the Governor-General in Council,

after consultation with the Public Service Commission, by direct nomination from among candidates who have attained the qualifying standard at the examination. Such vacancies, among the one-third reserved, as may not be required for the redress of communal inequalities, or for which duly qualified candidates for direct nomination may not be forthcoming, may be filled in the direct order of merit in which the candidates passed the examination.

4. From the list, prepared by the Public Service Commission, of competitors, who have in the opinion of the Commission attained the qualifying standard (*vide* Rule 22 of Part II of these regulations), candidates, to the number of vacancies to be filled under Rule 1 (3), will be selected for appointment from this list, in the manner laid down in Rule 3, provided that the Government of India are satisfied that they are duly qualified in other respects. Should any selected candidate become disqualified, the Government of India will determine whether the vacancy thus created shall be filled or not; in the former case, the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be the selected candidate.

NOTE.—If a candidate, having been nominated by the local selection committee (*see* Part II of the regulations) as a candidate for both the Indian Railway Service of Engineers and the Transportation (Traffic) and Commercial Departments, is a selected candidate for both, he shall be treated as a selected candidate for that service or department only for which he expressed a preference at the time of his application.

5. (a) Candidates selected for appointment under Rules 3 and 4 will be appointed as probationers on an agreement for three years in the first instance and will during the period of their probation draw an allowance of Rs. 300 per mensem in the first year, Rs. 350 in the second year and Rs. 400 in the third year of service, subject to satisfactory reports on their work being received at the end of each year of probation. All the men appointed will, during the period of their probation, be required to undergo training, which will comprise courses at the Railway School/College of Transportation alternating with practical work on Railways. Full details of the course of training will be found in Appendix I.

NOTE.—The Government of India reserve the right to reduce, at their discretion, the period of training in the case of candidates who have had previous suitable training or experience either in the United Kingdom or India.

(b) At the conclusion of the course of training probationers will be required to undergo written and oral tests in the subjects in which they have been trained, and, if they are successful and well reported on, they will be confirmed in the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways, on pay of Rs. 450. On confirmation, their agreement will be continued subject to their service being terminable on six months' notice on either side.

6. Probationers will be required to pass a language examination in Urdu by the Preliminary Standard, modified to suit the requirements of the Railways, before they can be confirmed or granted any increment, beyond the first, during the period of their probation. Probationers whose vernacular is Urdu may be exempted from passing the language examination. Failure to pass the examination within the probationary period involves liability to removal from service.

7. Officers (including probationers) of the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways, recruited under these regulations, will not be entitled to pension on quitting the service, but will be eligible throughout their service for the benefits of the State Railway Provident Fund, to which they will be required to subscribe, and by the rules of which Fund they will be required to abide. They will also be eligible for gratuities for good, efficient, faithful and continuous service. A summary of the benefits of the State Railway Provident Fund and the Gratuity Rules will be found in Appendix II.

8. Pay will commence from the date of joining service. Service for increments will also count from that date. Particulars as to pay are contained in Appendix III.

9. Leave rules applicable to State Railway officers are under revision. Officers recruited under these regulations will, pending the revision of the rules, be entitled to leave under the existing rules, but the revised rules will apply to them when they are brought into force.

10. Officers will ordinarily be employed throughout their service on the railway to which they may be posted on first appointment and will have no claim, as a matter of right, to transfer to some other Railway. But the Government of India reserve the right to transfer such officers in the exigencies of service, to any other Railway or project in or out of India.

11. The Government of India reserve the right of assigning, to the R. E. officers, recruited for the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways under the rules laid down by the Secretary of State, and to officers promoted from the subordinate ranks, positions in the seniority list at their discretion.

3. The candidate's height will be measured as follows:—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters. No fixed limit of height is enforced.

4. The candidate's chest will be measured as follows:—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted around the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in inches, 33-35, 34-36½, etc. In recording the measurements fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded.

(i) *General*.—The candidate's eyes will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any morbid conditions of the eyes, eyelids, or contiguous structures, of such a sort as to render, or to be likely at a future date to render, him unfit for service.

(ii) *Visual Acuity*.—The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision, and the examination will include two

tests, one for distant and the other for near vision. Each eye will be examined separately. No candidate will be accepted whose Visual Acuity falls below the following standards:—

|                         |     |     |     | The one eye. | The other eye. |
|-------------------------|-----|-----|-----|--------------|----------------|
| Distant vision—         |     |     |     |              |                |
| Without glasses         | ... | ... | ... | 6-12         | 6-18           |
| Corrected with glasses  | ... | ... | ... | 6-6          | 6-9            |
| Manifest Hyperopia      | ... | ... | ... | 1.5          | 1.5            |
| Near vision—            |     |     |     |              |                |
| With or without glasses | ... | ... | ... | 0.6          | 0.6            |

(iii) *Colour Perception*.—The candidate will be examined for colour knowledge with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect of colour perception will be a cause for rejection of the candidate.

(iv) *Night Blindness*.—The candidate's Night vision will be tested, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to ascertain whether or not he suffers from night blindness. The candidate who under the conditions of the ordinary Test for Visual Acuity has 6/6 Vision with both eyes open, with or without glasses, will be rejected if, under the conditions of the Night Blindness Test, his vision with both eyes open, with or without glasses, falls below 6/24.

(v) *Field of Vision*.—The fields of vision of the candidate's eyes will be examined with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect will be a cause for rejection of the candidate.

7. The urine (passed in the presence of the examiner) should be examined and the result recorded.

8. The following additional points should be observed:—

- (a) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear;
- (b) that his speech is without impediment;
- (c) that his teeth are in good order, and that he is provided with dentures where necessary for effective mastication (well filled teeth will be considered as sound);
- (d) that his chest is well formed, and his chest expansion sufficient; and that his heart and lungs are sound; and that his blood pressure is within normal limits;
- (e) that there is no evidence of any abdominal disease;
- (f) that he is not ruptured;
- (g) that he does not suffer from a severe degree of hydrocele, varicocele, varicose veins or piles;
- (h) that his limbs, hands and feet are well formed and developed, and that there is free and perfect motion of all his joints;
- (i) that he does not suffer from any inveterate skin disease;
- (j) that there is no congenital malformation or defect;
- (k) that he does not bear traces of acute or chronic disease pointing to an impaired constitution; and
- (l) that he bears marks of efficient vaccination.

When any defect is found it must be noted and the medical examiners should state their opinion as to whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.

of deten-  
tion in a  
Borstal  
school.

(2) Before forwarding an adolescent offender in accordance with the provisions of sub-section (1) the Court shall make the enquiry and record the finding prescribed in clause (a) of sub-section (2) of section 5 in respect of such adolescent offender.

(3) A District Magistrate, Subdivisional Magistrate or salaried Presidency Magistrate to whom an adolescent offender is forwarded in accordance with the provisions of sub-section (1) may make such further enquiry (if any) as he may think fit and may, subject to the conditions contained in clause (b) of sub-section (2) of section 5, make an order for the detention of the adolescent offender in a Borstal school for a term which shall not be less than two and shall not exceed five years, or may return the record of the case to the Court which tried it for passing such sentence as that Court may think fit.

Appeal.

7. (1) Any adolescent offender in respect of whom an order of detention in a Borstal school is made under

- (b) alter the term of detention subject to the limits prescribed in sub-section (1) of section 5.

Procedure after making order under section 5.

8. (1) Every adolescent offender directed by a Court to be sent to a Borstal school shall be forthwith sent to the place of intermediate custody prescribed in this behalf in respect of such Court. (Cf. Act VIII of 1897, s. 12.)

(2) A copy of the order of the Court directing the adolescent offender to be detained in a Borstal school shall forthwith be sent by the Court to the Inspector-General, who shall take immediate steps for the removal of the adolescent offender from the place of intermediate custody to a Borstal school as soon as may be practicable.

(3) The period during which the adolescent offender is kept in the prescribed place of intermediate custody shall, for the purposes of computing his total period of detention in a Borstal school, be deemed to be part of that detention.

Limitation on powers conferred by section 5.

9. Any person detained in a Borstal school for failure to furnish security when ordered to do so under section 106 or section 118 of the Code of Criminal Procedure, 1898, shall be released on furnishing such security or on the passing of an order under section 124 of the Code.

Power of Inspector-General to transfer adolescent prisoners to Borstal school.

10. If the Inspector-General is satisfied that any adolescent offender sentenced to undergo imprisonment in a jail or detention in a reformatory school is a proper person to be detained in a Borstal school, he may, subject to the prescribed conditions, direct that the adolescent offender shall be transferred to a Borstal school and there be detained for the whole or any part of the unexpired residue of his sentence. The provisions of the Act shall thereupon apply to such person as if he had been originally sentenced to detention in a Borstal school.

Removal from one school to another.

11. The Inspector-General may at any time order an adolescent offender to be removed from one Borstal school to another such school: (Cf. Act VIII of 1897, s. 14(b).)

Provided that the total period for which the adolescent offender was ordered to be detained in a Borstal school shall not be increased by such removal.

*The Bengal Borstal Schools Bill, 1927.*

(Clauses 12—15.)

Power to  
release on  
license.

**12.** (1) Subject to the prescribed conditions, the Inspector-General may, on the recommendation of the Visiting Committee, at any time after the expiration of six months from the commencement of the detention of an adolescent offender in a Borstal school, if he is satisfied that there is a reasonable probability that the adolescent offender will abstain from crime and lead a useful and industrious life, discharge him from the Borstal school and grant him a written license in the prescribed form and on the prescribed conditions permitting him to live under the supervision and authority of such—

- (a) officer of Government,
- (b) secular institution,
- (c) religious society, or
- (d) responsible person,

as may be approved by the Inspector-General and willing to take charge of the adolescent offender.

(2) A license under this section shall be in force until the expiry of the term for which the adolescent offender was ordered to be detained in a Borstal school, unless sooner revoked or forfeited.

(3) The period during which an adolescent offender is absent from a Borstal school during the continuance of a license granted to him under this section shall, for the purposes of computing his term of detention in such school, be deemed to be part of that detention.

Revocation  
of license.

**13.** (1) Subject to the prescribed conditions, the Inspector-General may at any time, and shall, at the request of the institution, society or person under whose supervision and authority the adolescent offender has by license been permitted to live, revoke a license granted under section 12, and upon such revocation the adolescent offender shall be detained in a Borstal school until the expiry of the term for which he was ordered to be detained in such school.

(2) If an adolescent offender removes himself from the supervision of the institution, society or person under which he was by license permitted to live, his license shall be deemed to have been revoked from the date on which he has so removed himself.

Powers of  
arrest of  
police.

**14.** Any Police officer, not below the rank of a Sub-Inspector of Police may, without orders from a Magistrate and without warrant, arrest an adolescent offender who has escaped from a Borstal school or removed himself from the supervision of the institution, society or person under which he was permitted to live by license under section 12, and shall send him, if so arrested, in custody to the Borstal school in which he was last detained.

Transfer of  
incurrigibles,  
etc., to  
prisons.

**15.** Notwithstanding anything elsewhere contained in this Act, if an adolescent offender detained in a Borstal school—

- (a) is reported to the Local Government by the Visiting Committee of such school to be incorrigible or to be exercising a bad influence on the other inmates of the school, or
- (b) escapes from the Borstal school or removes himself from the supervision of the institution, society or person under which he was permitted to live by license under section 12,

the Local Government may alter the unexpired residue of the term of detention to such term of imprisonment

*The Bengal Borstal Schools Bill, 1927.*

## (Clause 16.)

of either description as the Local Government may determine:

Provided that the period of imprisonment shall not exceed—

- (a) such unexpired residue, or
- (b) the maximum period of imprisonment provided by law for the offence or the failure to give security, as the case may be, in consequence of which the adolescent offender was ordered to be detained in a Borstal school,

whichever is less.

Rules

**16.** (1) The Local Government may make rules for carrying out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, the Local Government may make rules to provide for all or any of the following matters, namely:—

- (a) the control and management of Borstal schools;
- (b) the appointment, powers and duties, of officials in such schools;
- (c) the constitution, powers and duties of Visiting Committees;
- (d) the classification, treatment, maintenance, education, industrial training and control of the inmates of Borstal schools;
- (e) the regulation of the powers of the Inspector-General under sections 10, 12 and 13;
- (f) the prescribing of places of intermediate custody in respect of Courts to which such Courts may order adolescent offenders to be sent; and
- (g) the form and conditions of licenses granted under section 12.

(3) All rules made under this section shall be published in the *Calcutta Gazette* and, on such publication, shall have the same effect as if enacted in this Act.

**STATEMENT OF OBJECTS AND REASONS.**

The object of the Bill is to provide for the detention of adolescent offenders in special institutions in which they will be given industrial training and other instruction and subjected to such disciplinary and moral influences as will conduce to their reformation. It is now generally recognized that the period of adolescence is the most critical in an individual's life "when the mind is specially susceptible to fresh impressions and when it is peculiarly important to prevent habits of immorality and crime from being formed" and that it is undesirable from all points of view to familiarise adolescents with ordinary jail life and bring them into contact with adult prisoners.

The Bill is intended to empower certain classes of Courts to pass orders detaining adolescent offenders in Borstal schools for a term of not less than two years, instead of sentencing them in the ordinary way to imprisonment. Provision is made, subject to rules made by the Local Government, for the transfer to Borstal schools of adolescent offenders, whether convicted before or after the passing of the Act. A system of conditional releases on license is also introduced with the necessary provisions for revocation of a license once issued.

## DEPARTMENT OF AGRICULTURE, BENGAL.

PRELIMINARY FORECAST OF THE JUTE CROP OF BENGAL,  
1927.

[NOTE.—On an average of the five years ending 1924-25, the area under jute in Bengal, to which this Forecast relates, represents some 84·9 per cent. of the total area under jute in British India.]

The Preliminary Forecast deals only with estimates of area sown and the condition of the crop at the time of publication of the Forecast. The estimates of area are based on information received through the Collectors from the Revenue staff; also from Panchayets and Agricultural Officers.

**Revision of Area.**—In 1926 the forecasted area was 3,171,000 acres. This has since been revised on the basis of actual deliveries, to 3,363,200 acres.

**Area sown in 1927.**—In Bengal, district returns for the present season show a total area of 2,963,200 acres, a decrease of about 400,000 acres, or about 12 per cent. as compared with the revised final figures for 1926.

**Character of the Season.**—On the whole the season has been a favourable one, as early rains facilitated timely sowing over a large tract in Eastern and Northern Bengal. In Western Bengal; also in Rajshahi, Malda and Dinajpur, dry weather somewhat hindered sowings. Later, when favourable conditions supervened in Western Bengal, excessive rain did some damage to the growing crop in Noakhali, parts of Tippera and Faridpur; also in Jalpaiguri. Appreciable damage has also been done to the lowland crop in Eastern Bengal by an exceptional rise of the rivers in early June.

**Present state of the Crop.**—Little or no damage by insects has been reported to. With the exceptions referred to above, the present condition of the crop may be regarded as satisfactory on the whole.

**Stocks.**—Appreciable stocks of fibre from last year's crop are reported from parts of Nadia, Murshidabad, Burdwan, Rangpur, Dacca and Tippera. Other districts report comparatively little.

The weather has been favourable except for slight damage by early flood in lowlying areas. The present condition of the crop is promising.                                                                                                                                                                                                                                                                                                                                                              |

A little late.                                                                                        | The decrease in area is due to low price of jute last year and to drought in March. The weather has been unseasonable for lowland jute but favourable for the high land crop. Drought in March and beginning of April has affected the growth of lowland jute. Continuous rainfall from the middle of April to June prejudicially affected the growth of both high and low land crops by encouraging the growth of weeds and making weeding difficult. The present condition of the crop is fair on the whole. The delayed rains have been beneficial. |

## DEPARTMENT OF AGRICULTURE, BIHAR AND ORISSA.

### PRELIMINARY FORECAST OF THE JUTE CROP OF BIHAR AND ORISSA, 1927.

[NOTE.—On an average of the five years ending 1924-25, the area under jute to which the Bihar and Orissa Forecast relates, represents about 8·6 per cent. of the total area under jute in British India.]

The present forecast deals only with the estimated area sown. It gives also a general survey of prospects, but makes no reference to the probable outturn either in percentage figures or in bales.

2. **Acreage.**—I estimate the area sown during the current and four preceding years in round numbers as follows:—

| Year. |     | Acreage. |
|-------|-----|----------|
| 1923  | ... | 223,200  |
| 1924  | ... | 212,200  |
| 1925  | ... | 263,200  |
| 1926  | ... | 297,000  |
| 1927  | ... | 241,000  |

3. **Weather conditions.**—In March light rain fell in the jute districts; the fall was above the normal everywhere, except Cuttack and Balasore, where it was below the normal. In April the fall was below the normal everywhere, and in May rainfall was below the normal everywhere except Champaran and Purnea, where it was above the normal. In June rain fell in all the jute districts—in Champaran and Muzaffarpur it was light, but there was a heavy fall in Purnea.

4. **District returns.**—The total area under jute is estimated by District Officers in round figures at 191,000 acres as against 295,400 acres, their revised figure of the last year. But these estimates have proved to be very much too low in recent years, and I have reason to believe that the area sown in the current year will be approximately 241,000 acres as shown above. The decrease is due to low price fetched by the crop last year.

5. **Condition and prospects.**—The condition of the crop is good.

6. **General.**—The quantity of jute which remains in the jute districts from the crops of 1926 is reported to be small except in Bhagalpur.

The statement below compares the estimated area under jute in this province this year with the preliminary and final figures of last year:—

| Name of Province.   | Estimated acreage under jute. |         |              | Difference between the preliminary forecast, 1927, and final forecast, 1926. |           |

## DEPARTMENT OF AGRICULTURE, ASSAM.

### PRELIMINARY FORECAST OF THE JUTE CROP OF ASSAM, 1927.

[NOTE—On the average of the five years ending 1924-25, the area under jute in Assam represents 5.2 per cent. of the total area under jute in British India.]

**Character of the season.**—The weather has been on the whole unfavourable for the cultivation and growth of the jute crop, except in Kamrup, Lakhimpur and Garo Hills. Rainfall in February was generally above the average throughout the province while it was barely adequate in March. In April rain was abnormally heavy in the Surma Valley and insufficient in the Lower Assam Valley. In May there was drought in the Surma Valley but favourable weather in the Assam Valley. Insects and floods are reported to have caused some damage to the crop in certain localities. The prospects of the crop do not appear to be satisfactory, and are likely to be worse than last year.

2. **Area sown.**—The total area under jute is estimated to be 177,900 acres which is 8,100 acres less than the final figure of last year. The decrease is in the districts of Cachar, Sylhet, Goalpara and Darrang, while there has been increase in Kamrup, Nowgong and Lakhimpur.

3. As reported by the Deputy Commissioners, a considerable portion of last year's crop remains in the districts of Sylhet, Goalpara, Darrang and Nowgong while in Kamrup there is little jute locally in stock.

The weather has been therefore irregular and unfavourable. There was flood in April damaging the crop to a certain extent. The present condition of the crop appears to be worse than last year.                                                                       |

**Rules framed under sections 237 (2) and 241 of the Bengal Municipal Act.**

1. In these rules the term "house" has the same meaning as in clause (4) of section 6 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), except that it does not include a hut.

3. No roof of any house shall be built overhanging any public drain or public road, nor shall any other portion of the house project beyond the line of houses on both sides.

4. Models and type-plans of privies approved by the Commissioners in meeting, with estimates of the cost of constructing privies in accordance therewith, shall be kept in the municipal office and shall be open to inspection by any person at all reasonable times without charge, but no person shall be bound to construct any privy in accordance with any such model or type-plan, if the same be constructed in accordance with the other rules on the subject contained in these rules.

5. (1) A drain must be provided for every privy.

(2) Such drain must be constructed of some impervious material and must connect the floor of the privy—

- (a) the space beneath the platform of the privy must be of such dimensions as to admit a moveable receptacle not so large as to be incapable of being removed through the trapdoor being placed and fitted beneath the platform in such manner and position as will effectively prevent the deposit, otherwise than in such receptacle, of any sewage falling or thrown through the aperture of the platform,
- (b) the privy must be so constructed as to afford adequate access to the said space for the purpose of cleansing such space and of placing therein and removing therefrom a proper receptacle for sewage,
- (c) the said receptacle must be water-tight and must be made of metal, well-tarred earthenware or glazed stoneware, and must be of such construction and shape as will admit of its being easily removed and emptied of its contents,
